THE GRUFFALO

Our Cloakroom

Each child will have their own peg with their name on to store their belongings.

Topic

Small World Area

We have lots of areas of provision that you are able to play in, such as - Fine Motor, Mark Making, Writing Area, Maths Area, Reading Area, Small World, Wet Sand, Dry Sand, Water Area, Painting, Model Making and many more! These are just some of the activities available to support your child's development and they will be tailored to meet the children's needs.

Can you follow the lines and place the objects on them? Use the tweezers and pick up the pom-poms and place them down.

Construction Area

Get creative

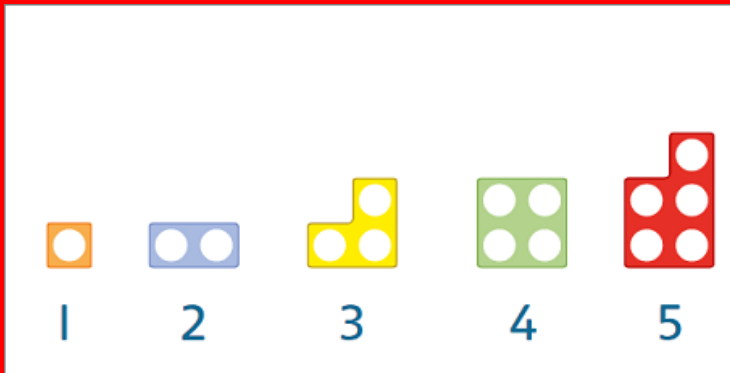

This is why art & model making is so important. It will help your child's.....

- *Eye-hand co-ordination*
- *Creativity*
- *Self expression*
- *Perseverance*
- *Risk taking*
- *Attention*
- *Concentration*
- *Express emotions*
- *Explore*

Maths is everywhere!

In Nursery, we give our children the solid foundations that they need to develop a love of maths and have a secure understanding of number, shape, space and measure. To help our children develop a secure understanding we use Numicon and Numberblocks.

Children use elements of maths throughout their day without even knowing such as how much milk to pour on their cereal, knowing when something has gone, recognizing if something has got bigger or smaller, etc.
