HalfAcreHerald

Mrs. Taylor

Our CEO visited school this week and we were very proud to share and discuss our positive return to school so far this year.

The day included time around school, in classrooms and looking at children's work.

We are very pleased with the reasons to celebrate.....

....transitions and routines around school are strong and enabling a calm and purposeful learning environment. Relationships are noticeably strong across school. Expectations on pupil behaviour are clear and follow the excellent behaviour principles and go beyond this to be excellent in other areas....

MESSAGES & REMINDERS

Please can we reiterate the importance of punctuality in order to enable a positive and smooth start to the day for all children, teaching and learning. All children from reception to year 1 are expected to be lined up on the playground in preparation for the bell at 8.50am.

Children come into school and begin the day with ONE LIFE or straight to assembly. Unfortunately this week, 68 children have arrived via the office between 8.50am and 9am. This impacts greatly on the office team and Mrs Young undertaking their morning tasks however, impacts mostly on the children as they are missing out on the start to the day with their class.

We appreciate that there are rare occasions where lateness can't be avoided but would urge all families to ensure punctuality moving forward.

Your support and co-operation is much appreciated.
