Half Acres Herald

Mrs. Taylor

It was a pleasure to welcome children and families back to school on Monday and we have had a successful and productive first week of 2026.

A number of new children have joined the school and look forward to beginning their exciting Half Acres journey.

Classes have revisited skills and expectations this week in order to ensure a positive and smooth return to learning.

Celebration assembly was delightful this morning and staff proudly shared examples of children demonstrating resilience, increased confidence and consistent excellence.

Our school expectation is that children are lined up with their class in time for the bell at 8.50am.
72 children arrived via the office between 8.50am and 9am.

Your co-operation is very much appreciated in order to enable a prompt start to the day and reduce wider impact on the office team.
