Mrs. Taylor

It was a pleasure to welcome our school governors and members of our Trust board into school this week. We took the opportunity to showcase One Life and observe this in classes. Feedback was extremely positive and reflected the hard work and commitment given to implement the programme. Children were confident in demonstrating their knowledge, skills and understanding of each aspect. Structures, routines and behaviour were praised for consistency and of an excellent standard.

We look forward to welcoming our governors into school at other opportunities and continuing our work and progress together.
