Mrs. Taylor

Thank you to everyone who has attended consultation meetings with staff this week. We pride ourselves on how well we know your children and we love to share their personal and academic achievements with you. Working together to address next steps and targets supports your children to be their very best. Please speak to your child's class teacher if you are yet to have your meeting.

I was thrilled to have the opportunity to step away from the laptop this afternoon and join a group of Y2's at Castleford Academy for a multi skills event. Their excellent behaviour, manners and support for each other was exemplary and it was an absolute pleasure and privilege to be with them and Mrs Rollinson.

Our school expectation is that children are lined up with their class in time for the bell at 8.50am.

51 children arrived via the office between 8.50am and 9am.
58 children were late this week and therefore missed valuable learning time.

Your co-operation is very much appreciated in order to enable a prompt start to the day and reduce wider impact on the office team as it is the second week running this has reduced.

MESSAGES & REMINDERS

Polite reminder that children should not be riding bikes or scooters on the school site please. They should dismount and push to the bike shed in order to ensure the safety of everyone. Thank you for your support.

Our very own Wagga will be drawing the raffle for the signed Castleford Tigers shirt on Friday 1st May so please speak to the office team should you require any tickets before then. They are £2 each or 3 for £5. All proceeds are for Together for Becca fundraising. Thank you in advance.

Children are not permitted to bring a mobile phone to school unless necessary or agreed circumstances eg, walking home alone or being collected by and staying with another family member overnight. A user agreement should also be signed and in place. Please speak to your child's classteacher where appropriate.
