Mrs. Taylor

Next week sees our amazing year 6 children undertake their statutory assessments. Staff and children have worked so very hard to ensure that they are well prepared and able to show themselves at their very best however, I feel it's important to remember and reflect that.....

Good luck to each and every one of you and we look forward to welcoming you to SATs breakfast in the KS1 hall from 8am 😊

Our school expectation is that children are lined up with their class in time for the bell at 8.50am.

43 children arrived via the office between 8.50am and 9am.
43 children were late this week and therefore missed valuable learning time.

Your co-operation is very much appreciated in order to enable a prompt start to the day and reduce wider impact on the office team as it is the second week running this has reduced.

MESSAGES & REMINDERS

You will have no doubt seen a number of jumpers, cardigans and coats etc left outside on a regular basis. Please know that this bothers us as much as you considering the cost of uniform items. Please encourage your child to take responsibility for their items and ensure their name is on so we can return it to them.

We appreciate that children may be spending time at another household after school or over the weekend following a day in school and need to bring additional items with them. Please ensure that any devices or items of value are taken to and collected from the office by an adult for safety purposes and not kept in bags. Thank you for your cooperation and understanding.

Dojo is a wonderful platform where staff share messages, updates, photos and examples of amazing work 😊 Please speak to the office for a link if you do not have access.
