

MESSAGE FROM MRS TAYLOR

It seems like I missed a very exciting assembly this morning! We had a visitor in school who led a Mad Science Assembly and demonstrated wonderful experiments for the children to observe and participate in. There will be an opportunity to join an after school club in the near future and further information will follow so keep an eye out for this!

Thank you to everyone who joined our meet the teacher meetings this week. It is important that you have an overview of year group expectations and learning. Please see the class teacher in the first instance if you have any questions. The slides will be shared following all the meetings and class newsletters will give further information.

5P 96.67%
6RE 99.31% CONGRATULATION!!! 🎉
6RO 95.19%

WHOLE SCHOOL TARGET = 97%
Whole school this week = 96.05%

Our school day is 8.45am - 3.15pm

All staff are outside from 8.45am and begin our ONE LIFE programme through a warm welcome, positive start to the day and meeting and greeting of children and families. This supports a smooth transition into school and continued learning following the 8.50am bell. It is important that all children start the school day in this way and with their class. **65 children arrived via the office this week compared to 58 last week and 21 the week before.**

'If you're not in the line, you're not on time' 🚫

DATES

The Year At A Glance is currently being updated and will be shared once finalised. Dojo will always give you an update and/or a reminder about upcoming events. Please speak to your child's classteacher if you haven't yet connected to Dojo.

REMINDERS

Your child's class teacher will have let you know if they are beginning their forest school journey next week. We are proud to be introducing the child led explorative activities which support creativity, risk taking and wider holistic development outdoors to our curriculum. Trained staff will work with classes fortnightly, on a Tuesday and for an hour at a time. Sessions start this Tuesday for 1AP, 2T, 3P, 4B and 5B, and classes will change after Christmas. Please ensure that your child has the necessary and appropriate clothing in order to take part.
