

MESSAGE FROM MRS TAYLOR

Personally, I love a routine so that has just added to the delight of being back at school this week. It has been amazing to welcome all the children back in addition to quite a number of new starters too. As I have led assembly this week, visited classrooms or moved around school, I have been so very proud of the way children have presented themselves and demonstrated such excellent behaviour and positivity on our return. Your support is always very much appreciated and we look forward to working with you and the children during an exciting and successful year ahead at Half Acres.

Our school day is 8.45am - 3.15pm

All staff are outside from 8.45am and begin our ONE LIFE programme through a warm welcome, positive start to the day and meeting and greeting of children and families. This supports a smooth transition into school and continued learning following the 8.50am bell. It is important that all children start the school day in this way and with their class.
