

MESSAGE FROM MRS TAYLOR

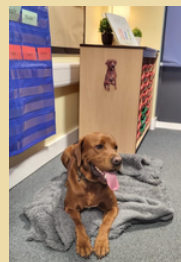

It's hard to believe that we have only 1 week of the half term remaining! It's been a long and busy initial half term but so much has been achieved and should be celebrated.

The introduction of forest school has been very well received and it's wonderful to see so many children enjoying and practicing different skills in the outdoors 🌿

Thank you for your positivity and support regarding having a therapy dog in school 🐕 The children are VERY excited and the training of staff handlers is going really well. We have our first visit from PAWS next week to assess our progress and share the next steps.

ATTENDANCE

THE SIGNIFICANT NUMBER OF LATES IS A MAJOR CONCERN. LATENESS IMPACTS GREATLY ON STAFF ENSURING CHILDREN ARRIVE AT AND JOIN THEIR CLASS. MORE SO, IT IMPACTS THE CHILDREN AS THEY ARE MISSING A VITAL PART TO THE SCHOOL DAY. PLEASE BE AWARE THAT FINES CAN BE IMPOSED FOR FREQUENT LATE REGISTER CODES AND THIS IS MONITORED BY THE EWO.

Our school day is 8.45am - 3.15pm
All staff are outside from 8.45am and begin our ONE LIFE programme through a warm welcome, positive start to the day and meeting and greeting of children and families. This supports a smooth transition into school and continued learning following the 8.50am bell. It is important that all children start the school day in this way and with their class.
92 children arrived via the office this week compared to 75 last week.
If you're not in the line, you're not on time! 🚫

REMINDERS

*The morning routine is working really well and I am thankful to reception families who have worked with us to ensure children are going promptly and safely into school from the playground each day. In order to further improve our routine, please could we ask that all adults step back from their child's class line and towards the back/perimeter of the playground once the bell has been rung. Please also avoid cutting across class lines as they are walking in so they can remain safely together. Your cooperation is very much appreciated.
